

QUANTUMLINK

SPECIAL INTRODUCTORY OFFER

WHAT IS QUANTUMLINK?

QuantumLink is an exciting new service which will help you get much, much more out of your Commodore computer. With QuantumLink, you can preview popular software, access and keep free programs, exchange messages with computer experts, chat with new friends, play games with other subscribers around the country, and more.

QuantumLink has been designed specially for Commodore owners, so the services are useful, easy to use, and affordable.

HERE'S HOW TO GET YOUR SPECIAL OFFER:

Everything needed to use QuantumLink is included in this kit. To take advantage of this special offer:

- Load the QuantumLink software according to the "Getting Started" instructions in the QuantumLink User's Guide (type LOAD "★", 8, 1)
- Once connected to QuantumLink, enter the following number:

20-4026-1264

- The Special Offer will appear on your screen. To take advantage of this offer follow the online instructions.
