IMPORTANT!

Before using this disk, you must first copy the Common Sense programs onto a different disk. To use the file copy utility included on this disk, type (in 64 mode):
                    LOAD"MAKEDISK",8
When the computer responds with READY, enter "RUN".

This disk includes both QuantumLink access software and Common Sense/VT100 terminal programs.

QuantumLink (also known as Q-Link) is a service for Commodore 64 and 128 owners that is easy to use, affordable, useful and fun. A Q-Link membership is included free with the purchase of this modem. To use Q-Link, follow the "Getting Started" instructions in the QuantumLink User's Guide.

Common Sense and **VT100** are programs that will enable you to reach local bulletin boards and online networks *other* than Q-Link. To use them, follow the instructions in the Modem User's Manual.

QUESTIONS OR PROBLEMS?

IF ABOUT COMMON SENSE/VT100, OR YOUR EQUIPMENT:
    Call Commodore Technical Support at 215–436–4200

IF ABOUT CONNECTING TO Q-LINK:
    Call Quantum Customer Service at 800–392–8200

IF ABOUT USING Q-LINK:
    When you're online, you can get assistance from a Q-Guide or Q-Helper in the "People Connection" department
